

Q: I would like to complete all levels, but I am only in Mexico for a short period of time. Is there a more intensive option for me?

A: Our teachers can offer as many hours of private classes a week as you would like. We recommend you take the 2 and a half hour course with 2 extra hours daily in one-on-one classes to get through the whole program in a month.

Q: What material and/or benefits do I receive when attending the Survival Spanish courses?

A: You will receive a book, CD and an exercise booklet with break-out session information, grammar exercises and sub-theme vocabulary. You will also be given a guide to PEACE partner restaurants and other businesses in the area.

Q: I am coming to Mexico with a group of people. Can PEACE give an exclusive workshop for us?

A: Not only can we give you an exclusive workshop, but we can tailor it to your specific needs.

Q: I would like to meet Mexican families and practice my Spanish in Mexico. What other activities can PEACE provide?

A: Get to know local communities through the Real World Home tour or by volunteering within local communities with PEACE! For more information, visiting [www.peacemexico.org](http://www.peacemexico.org).

Q: I want to attend the courses but will be traveling with my children. Can they attend the courses as well?

A: The Spanish survival courses are intended for adults only, but we have teachers with SSL experience with children who can arrange fun and educational activities for an extra fee.

Q: How do I pay?

A: You can pay through our paypal account or in cash when you arrive the first day.

Q: How do I know what level is appropriate for me?
